12 strips per wof. 2 rows. 26"

Cut these pieces:

Foreground

Cut three strips 13" wide. Cut each strip into 4" pieces.

Background

Cut two strips 13" wide. Cut each strip into 3" pieces.

Sewing:

9 blocks.

36" quilt.

Each block will have two or three strips of each of the foreground and the background fabrics, five strips per block.

Before sewing two strips together, lay them on your cutting mat right sides up so they overlap somewhere between 1/2 to 2 inches. Cut them on the diagonal of the overlap. Then sew the pieces together. Continue until you have a block.

Blocks will be trimmed to 12.5 inches square.

Sew the blocks together. The bars can go up and down or side to side or some of each.
