

# Variable Star

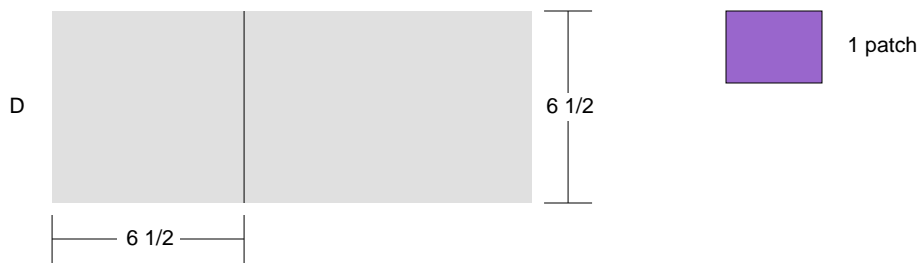

Key Block (1/5 actual size)

## Cutting Diagrams

## Patch Count

1. Put the Flying Geese units together first.
2. After the Flying Geese are sewn, trim down to 3.5"x6.5". Make sure that there is a quarter inch seam allowance above the tip of the large triangle.
3. Sew 2 Flying Geese to the large triangle across from each other.
4. Sew 2 corner squares to each of the 2 remaining Flying Geese.
5. Press segments from #4 towards the corner squares.
6. Press segment from #3 towards the large center square.
7. Sew one unit with corner squares to center unit.
8. Press.
9. Sew last unit with corner squares to center unit.
10. Press.
